Review and Approval of Previous Minutes

Status of Projects Tasks

Parcel and Subdivision Maintenance

Ryan- is still working in Pigeon Township. He is also working with John Ansbro on the census boundary project. There are no new subdivisions to report.

Street Addressing

Brenda Hill- there are no new street updates.

ITAC Addressing Sub-Committee

Laura- the next meeting is scheduled for January 15th, 2009. We are currently in working in phase 2; the Assessors are working with Area Plan Commission and to update all addresses to the current standards.

GIS Websites

Laura- there was no new changes. There will a new name change for the “APC Errata” layer to be called “Indeterminate Property” for a more politically correct name, this will be on the external Area Plan Commission website.

Mobile Home Layer

Amy McCoy- she used a topology edit session to clean up the data, there was a lot of gaps and overlaps. She is working on Westbrook lots.

DMD Phase 2

Greg- is waiting on a detailed project plan to be approved.

Vector Directory Clean Up

Laura and Greg are working on clean up, we are adding metadata and working on documentation.

Migration to Version 9.3

Laura- They are moving forward with external website deployments for APC, EWSU, and EMPO.

Other Business

The soil and water conservation district is planning on saving digitizing old photos to Jpeg, TIFF or PDF format. There are about 1200 sheets of photos. If your department is interested please contact Laura Lamb of EMPO.

The state has the released new leaf-on one meter imagery from 2008. It is on the network at **W:\Raster\GeoDataWH\Ortho\NAIP 2008** Contact Laura H for more information.

The water and sewer, sidewalk & curb, and city boundary data layers on the vector drive have been updated.

Next Meeting

The next Evansville/Vanderburgh GIS Technical Meeting is scheduled for Jan 21st, 2009 at 9:15 a.m., Room 318 of the Civic Center, 1 NW Martin Luther King Jr. Blvd.
